

Drumming Series >> Reggae Drums

Future Loops is proud to present Reggae Drums, a mighty collection of live Drum Loops and Fills specially forged for Reggae and Dub productions (provided in REX and WAV formats).

For any Reggae or Dub producer having high-quality live drums is a pure delight, instantly adding some of that sought after organic groove niceness to a track.

Reggae Drums brings you just that : a rich arsenal of authentic Reggae drum rhythms that evoke the sweet vibes of the genre .

Drumming Series >> Reggae Drums

Played by the best drummers Reggae Drums is packed with 181 Drum Loops and 60 Fills all at the reggae-friendly tempo of 70 BPM.

The Drum Loops are organized in 3 different Kits , each with a distinct snare sound for added diversity and flexibility . On top of that the Fills are highly useful and the perfect drum tool for intros , breaks and build-ups .

Reggae Drums is ready to inspire your productions and serve a fresh cup of dubby beats . Here is what you can find inside :

241 WAV Loops

- 181 Drum Loops
- 60 Fills

241 REX Loops
