

Real Series >> Saxx Jaxx

Future Loops is proud to announce Saxx Jaxx , the second title to come out from our Real Series.

Saxx Jaxx is a sweet collection of saxophone loops and one-shots specially designed to fit a wide array of music styles .Saxophone samples are always a great weapon on any producers arsenal and a must-have to give instant depth and warmth to a production .

Saxx Jaxx includes Alto, Bari and Tenor saxophones and performances were recorded at 6 different tempos (60, 80, 100, 120, 140, 160 BPM) which make this pack suitable for multiple music genres: from Dance to Hip Hop , from Drum N Bass to Electronica .

For total freedom and usability we also include over 250 sliced One-Shots , so there is plenty of saxophone material to work with! In sum Saxx Jaxx offers :

A total of 222 MB (187 MB before content duplications)
300 WAV Loops
276 REX Loops
276 One-Shots

Let the sax flow with freedom and in style !
