

Future Loops presents **Smokin RnB Guitars**, a collection of fresh and sexy R&B Guitar Loops and One-Shots with **nearly 500 samples**, both in **WAV** and **REX** formats.

For greater flexibility **Smokin RnB Guitars** was recorded in 4 different tempos - **60 BPM, 70 BPM, 80 BPM and 90 BPM** - and loops were performed in a wide variety of Keys that offer a tasty slice of what smooth RnB guitars are all about !

**Smokin RnB Guitars** provides you with a very balanced diversity of guitar tones : some loops were kept raw , just begging for you to tweak them, others were processed and sprayed with that instant glitter and sensuality of RnB music.
