

GROOVE SERIES >> TECH FUNK 01

Future Loops is proud to present Tech Funk 01, a powerful collection of groove infused tech drum loops in WAV & REX format.

Tech Funk 01 brings you meticulously produced Tech Funk drums that offer you complete creative control and endless mixing possibilities : included full mix drums , build loops, top loops and loads of individual loop elements ready to pick and match as you please !

Future Loops has got you covered for all your Tech Funk groove needs with this must-have collection of hard kicking rhythms , filthy paced breaks and precise glitchy percussive elements - making this sample perfect for other production styles such as EMD , Progressive , Complexro , Electro or Techno !

Here's what you'll find inside Tech Funk 01:

Full Loops // tight, complex and pristine beats with all the elements pre-mixed , all ready to cut through the mix like a sharp razor!

Build Loops // easy and ready to go ! Pre-assembled combinations of loop elements resulting in groove constructions for different parts of your track ! Mix electrifying drums in a heartbeat!

Top Loops // set the tone with kick-free beat patterns!

Loop Elements // Arrange, combine, mix and match all these elements in a million different ways to get the sound and groove you're aiming for! These loops contain standalone kicks , hats , claps , snare , percussion and more !

Tech Funk 01 is a highly inspirational sample pack that brings you flawlessly produced beats and grooves with real and effective mixing control!
