

Future Loops is proud to present **Tech House 01**, a freshly squeezed collection of Tech House drum loops that will sprinkle your dance productions with high-quality, trendy and professionally polished groove beds !

Tech House 01 was designed to offer you full creative control while mixing. For each beat you have access to the standalone build loops, top loops, full loops and loop elements :

Full Loops // complex beats with multiple elements pre-mixed , all ready to cut through the mix like diamonds !

Build Loops // ready to use groove constructions for different stages of the track , combining loop elements in multiple ways . Mix enticing beats on the fly!

Top Loops // tone it down with kick-free beat patterns !

Loop Elements // feeling creative ? Just *add elements and stir until mixture is thick* ! These loops contain standalone kicks , hats , claps , snare, percussion , fx , noise , blips , glitch , toms and more ! Combine different loop elements and create new Tech House beats with ease !

Rest assured, **Tech House 01** is packed with leading edge drum loops , specially organized and sorted for *real* mixing control !
