

TECH HOUSE EVOLUTION

Future Loops presents Tech House Evolution, a top notch collection of samples & loops for dance music producers in WAV, REX & MIDI formats!

Tech House Evolution brings you over 440 sounds and all the elements you need to build club-approved, solid Tech House tracks: drums, bass, synths and leads, pads, strings, vox, FX & more!

Full control is offered with full drums, drum loop elements (kick, snare, no kick loops, claps, kick loops & more), individual melodic and instrumental loops and MIDI files (make all sounds unique or use them as the inspiration for your next tracks); PLUS 99 awesome one-shots to build your own sound!
