

MIDI SERIES – TECH HOUSE – MIDI CHORDS & PROGRESSIONS

Future Loops is proud to present Tech House - MIDI Chords & Progressions a comprehensive collection of MIDI construction kits and elements specially forged for Dance Music productions !

Tech House - MIDI Chords & Progressions is packed with irresistible melodic patterns and chord progressions that fit perfectly into Tech House, Progressive, EDM, Techno, House & Complexro!

Explore a valuable composition tool that allows you to unleash the power of each kit and tweak, adapt or rewrite them into fresh and inspirational melodies!

Future Loops grouped the samples and MIDI files in Tech House - MIDI Chords & Progressions into pre-arranged Construction Kits, each including Chords, Bass, Synth, Leads and Full Mix - plus you will find variations so you get plenty of diversity and melodic content you can work with in a very flexible way!

Besides the MIDI files also included are WAV loops representing each midi pattern that you can use to quickly audition or to incorporate into your mixes, all 100% Royalty-Free !!

Originally developed for 123 BPM , 125 BPM and 127 BPM you can adapt the progressions to whatever style or groove you're working in, and of course, by using MIDI files you can freely sync them to any Tempo or Key! You are in full control - just plugin your favorite Soft Synth or Sampler patch and make your music come alive the way you want!
