

Future Loops returns to its series of essential dance grooves and drum loops with **Techno 01**, a versatile collection in WAV & REX format that will start your Techno engines !

Techno 01 was build from the ground up to offer you complete creative and mixing control. Each Beat Family brings you dozens of build loops, top loops, full loops and all the loop elements so you can mix on the fly !

With **Techno 01** Future Loops has got you covered with powerful crisp drum loops , smashing beats and intricate groove elements , perfect to add punch and impact to your Techno & House tracks !

Take a look inside :

Full Loops // tight beats with all the elements pre-mixed , all ready to cut through the mix like diamonds !

Build Loops // ready to use groove constructions for different parts of the track , combining loop elements in different ways . Mix both minimal or hard Techno grooves with ease and flare!

Top Loops // set the tone with kick-free beat patterns !

Loop Elements // Want to get your hands a little dirty? Mix and match the loop elements in infinite ways until you nail down the stylish rhythmic background you're aiming for your tracks ! These loops contain standalone kicks , hats , claps , snare , percussion and more !

Techno 01 is a highly inspirational sample pack that combines flawlessly produced beats and grooves with real and effective mixing control !
