

GROOVE SERIES >> THE LOOPS OF FURY – ELECTRO MEETS RAVE

Future Loops is proud to release a massive dance title "The Loops Of Fury - Electro Meets Rave" from the fast rising electro & techno driven London duo !

The Loops Of Fury have been obsessed with rave since their childhood years. With support from nearly the entire spectrum of electronic music ( 2ManyDJs , Erol Alkan , Knife Party , Tiesto or even Jay-Z ) they have been dominating the scene since their underground rave anthem "I Need" blew up in 2011.

With numerous remixes and work with artists such as Moby, Steve Aoki, Felix Carta, Sound Of Stereo and multiple spins on BBC Radio 1's Essential Mix, The Loops Of Fury's tracks and remixes constantly hit the top 10's, staying in the charts for months on end.

"The Loops Of Fury - Electro Meets Rave" brings you the duo's signature sound all 100% Royalty-Free and perfect to mix infected techno and rave tracks that will stand out and make the dance floor burst into flames!

"The Loops Of Fury - Electro Meets Rave" features a wide variety of inspirational sounds that you can mix, edit mash and reshape as you please: fierce drum loops , menacing synths , electrifying chords , rave stabs and pads, contagious bass lines, acid patterns , riser FX & builders and 100's of drums and synth One-Shots so you can program your own beats and grooves from the ground up!
