

# TRAP METRO

Future Loops presents Trap Metro, a deluxe collection of royalty free samples & loops for Trap & Hip Hop producers!

Trap Metro brings you 15 heavyweight construction kits drawing inspiration from top producers such as Future and Metro Boomin' and that include all the elements you need to produce banging, radio-ready Trap tunes : featuring super tight drums, precise basslines and 808s and a top notch collection of instrumental loops ( synth, arps, bells, strings, pianos & more) that range from futuristic and spaced out to breezy and mellow!

Each construction kit is packed with Full Drum Loops, Drum Loop Elements (Kick, Snare, Clap, Hihats, Percussion), Melodic Loops (Bass, Synth, Bells, Piano, Strings, FX, Vox & more) plus over 80 Trap Drum One-Shots specially forged for anyone who wants to get their hands dirty and build new beats with ease!

Tempos range from 54BPM to 74BPM and loops are available in WAV & REX format , all 100% Royalty Free!
