Future Loops is proud to release Trap Nights - Dark & Underground Kits, a banging selection of high quality Trap kits , samples & loops in WAV & REX formats!

Trap Nights - Dark & Underground Kits brings you a premium set of Trap & Hip Hop construction kits straight from the streets and directly to your studio and that explore a darker, chilling and underground side of this popular genre.

The tone in Trap Nights - Dark & Underground Kits flows from the eerie and mysterious to the epic and deep with authentic loops brimming with intensity !

Expect intricate drum machines to arpeggiated synths , creepy leads , low 80s and orchestral beds , these radio ready kits have all the elements you need to build entire tracks in a heartbeat!

- The 15 Construction Kits come packed with all melodic loop elements (such as Bass, Synth, FX, Keys, Guitar, Brass, etc), Full Mix Drums, Drum Loop Elements (Kick, Snare, Hat, etc) plus the individual Drum Hits to build your own trap beats!

Just drop the loops into your DAW, get ready to mix, mash, chop, edit and process as you please!

Trap Nights - Dark & Underground Kits is a must have collection of Trap samples & loops with a distinct urban flavor and tight vibes. All samples are 100% Royalty-Free!
