

SOUNDSET SERIES >> TWISTED DNB – MASSIVE SOUNDSET**Tech Specs:**

- 64 Presets for NI Massive
- Bass, Synth, FX, Pads
- Works with NI Massive Version 1.3+

Future Loops is proud to present Twisted DNB - Massive Soundset, a maniac collection of patches for the popular NI Massive synth !

Twisted DNB - Massive Soundset was specially forged for Drum & Bass, Jungle, Breaks, Dubstep or any Bass Music production and features 66 presets including Bass , Synth , FX and Pads !

All presets feature the Macro Controls already assigned so you can easily modify the sounds and tweak parameters with full control and ease !

If you're a producer that likes to get down & dirty these presets are the perfect ammunition for your NI Massive sonic arsenal with growling basses , terror subs , menacing synths , paranoid FXs and chaos pads !
