

**Future Loops presents Urban Gangstaz**, a collection of **15 Hip Hop Construction Kits** that will pack your studio with some serious urban attitude !

**Urban Gangstaz** is jammed with all the critical ingredients to produce chart-topping hip hop tracks: hard-hitting kicks , phat snares and claps , deep basses, powerful orchestral hits , strong piano hooks and cinematic strings!

**Urban Gangstaz** has a true street and West Coast vibe all around , inspired by prolific artists such as Dr Dre, Snoop Dogg, 50 Cent and The Game.

With tempos ranging from 70 to 103 Bpm, **Urban Gangstaz** kits include all the separate drum tracks for perfect drum loop mixing , individual drum hits and must-have elements to build a solid hip hop track: classic urban pianos, synths, vibrant strings, FX, Choirs, Vox and more! Just cut, edit, mix and match as you please !

Here's what you can find in **Urban Gangstaz**:

**294 WAV Samples**
