

GROOVE SERIES >> STEWART WALKER MINIMAL SESSIONS VOL 2

You asked for it and here it is ! Future Loops proudly presents " **Stewart Walker Minimal Sessions Vol-2** ", the second volume of Stewart Walker's brilliant collaboration with Future loops.

This world class collection is a continuation of the superior sampling work done by Stewart Walker in " **Stewart Walker Minimal Sessions** " and is sure to keep satisfying even the most demanding of minimal producers .

Berlin-based artist and live producer Stewart Walker is an undeniable driving force of electronic dance music. Since his first 1997 release; Amphetamine Sulphate on Matrix Records, Stewart has been pushing the boundaries of club music by giving the audiences, deep and intricate Techno experiences.

His talent and vision are showcased on his releases in labels such as Force Inc., Tresor and Mille Plateaux.

In 2001, Walker created his own label Persona Records which is establishing itself as an authority of quality dance music and where Stewart has been presenting his love for Minimalism , Melody and Dynamics.
