GrooveBits presents Deep House Producer, a highly inspirational sample pack in WAV & REX formats.

Deep House Producer features all the sound tools you need to produce dance-floor ready tracks, infused with a sophisticated deep house vibe ! From warm chords and nostalgic pads and soulful progressions , pumping drum loops, lushy synths, FX, vocals, top loops & more!

Drum Loops are offered not only as full mixes but also as kick only and top loops for full control and instant mixing possibilities. You control the groove , pace , drops or builds and you can mix & match elements from different beats to create new rhythmical concepts on the fly !

As an amazing bonus production treat you'll find over 570 Drum One-Shots (kick, clap, snare, hat, percussion & more) perfect for all producers that want to create their Deep House beats from the ground up !

Deep House Producer is a valuable addition to your sonic production library - the high quality and variety of this collection will have you cooking up irresistible Deep House tracks in no time!
